Welcome Message

We are delighted to invite you to participate in the 11th Asia-Pacific Vitreo-retina Society Congress (11th APVRS Congress) at Kuala Lumpur Convention Centre, Kuala Lumpur, Malaysia, on December 8 – 10, 2017.

Dedicated to pushing forward the frontiers of vitreo-retina in the Asia-Pacific region, the Asia-Pacific Vitreo-retina Society (APVRS) organizes its annual congress to provide a platform for vitreoretinal specialists to meet and exchange expertise, to disseminate the highest standards of vitreoretinal treatment, clinical and basic research, education and training, and patient care in vitreo-retina. The 11th Asia-Pacific Academy of Ophthalmology Congress is anticipated to bring together over 1,000 delegates and with over 100 top-notch speakers from all over the world, to explore current knowledge in vitreo-retina.

As one of the most important vitreoretinal meetings in the Asia-Pacific region and beyond, the APVRS annual congress will include instruction courses and symposiums to provide a unique opportunity for all those working in the diagnosis and treatment of vitreoretinal diseases to keep abreast of the latest developments in this rapidly changing and expanding field.

Malaysia is located in the heart of the Asia-Pacific and is a melting pot of cultures. English, Bahasa, Mandarin and Tamil are widely spoken. We have an amazing array of tourist attractions, including rainforests, beaches, shopping malls, culinary delights and theme parks. The Congress will be held at the Kuala Lumpur Convention Centre, which is located right next to the famous Petronas Twin Towers. The convention center is one of the best in the world and is conveniently linked to many hotels, the Suria KLCC shopping center and a world-class aquarium. Malaysia is also one of the best value-for-money destinations in the world.

We are looking forward to another very successful congress; one that showcases the latest advances in vitreo-retina in which the needs of the industry as well as delegates are fully met. We are inviting companies to participate actively in this prestigious congress which will be an excellent occasion for you to promote the interests of your company.

Yours sincerely,

Dr Kenneth Fong
Congress President
11th APVRS Congress

General Information

Venue

The 11th APVRS Congress will take place in the Kuala Lumpur Convention Centre, Kuala Lumpur, Malaysia.

Kuala Lumpur Convention Centre (KLCC), located at the heart of Kuala Lumpur's Central Business District, is the city's most technologically-advanced, purpose-built facility for international, regional and local conventions, tradeshows and public exhibitions. KLCC is also located right next to the Petronas Twin Towers, the signature of Kuala Lumpur with the 1,500,000 sq. ft. shopping centre with an art gallery, the Aquaria KLCC (the underwater world), a philharmonic theater and an interactive science discovery centre. An efficient traffic and public transportation system makes access to and movement within the KLCC precinct easy and convenient.

About Asia-Pacific Vitreo-retina Society (APVRS)

The Asia-Pacific Vitreo-retina Society (APVRS) was founded in 2006 with the mission to assist in the development of the vitreoretinal subspecialty in the Asia-Pacific region, to provide a platform for good integration of skills and knowledge of vitreoretinal specialists, and to promote and disseminate eye care information about vitreoretinal diseases and related issues to the general public.

Learn more about the APVRS at www.apvrs.org.

About the Malaysian Society of Ophthalmology

The Malaysian Society of Ophthalmology (MSO) is the professional organization representing all Ophthalmologists in Malaysia. The society has more than 700 members and is active in organizing local and international ophthalmology meetings. Previous major conferences hosted include the APAO congress in 2005 which attracted more than 4000 delegates and the APACRS annual meeting in 2015 which attracted 1700 delegates. The MSO also conducts regular eye awareness programmes and runs a free diabetic eye screening service.

Further details can be found at www.mso.org.my

Congress Objectives

- To showcase the most important and cutting-edge clinical and research studies and outline new trends in the diagnosis and treatment of vitreo-retinal diseases
- To provide a platform for fruitful scientific exchange, presentation of high-quality, original scientific studies and research
- To promote the exchange of expertise and to disseminate the most updated clinical practice and international gold standards
- To give delegates an opportunity to network, make and renew friendships
- To keep delegates posted of industry research and developments

Program

Chaired by Dr Andrew Chang and Dr Nor Fariza Ngah, the scientific program will cover 12 important areas in the field of vitreo-retina. Each invited symposium will be coordinated by an Asia-Pacific coordinator, an international coordinator, and a host coordinator, who are experts in the topics to be discussed. They will work together to engineer a world-class vitreo-retina program. There will be instruction courses for general ophthalmologists and trainees. Coordinator information will be available at <http://2017.apvrs.org/scientific-program/>

Over the 3-day program of the 11th APVRS Congress, we will foster interaction in a number of initiative ways and encourage dialogue through plenary sessions, free paper presentations, poster sessions, instruction courses and keynote lectures. We also plan to transmit plenary sessions Live via our APVRS Facebook page to viewers in other halls and who may not be able to attend.

Website

The 11th APVRS Congress website contains all details relating to the Congress. It is being updated from time to time. Please visit it regularly <http://2017.apvrs.org>

Sponsorship Opportunities

The 11th Asia-Pacific Vitreo-retina Society Congress (11th APVRS Congress) will provide sponsors with exposure and access to delegates who have the capacity to influence the selection of products and services with their organizations. The Congress also provides you with the opportunity to demonstrate your support and commitment to the field of vitreo-retina and general ophthalmology while our sponsorship program will extend your visibility beyond the exhibition hall to achieve maximum exposure at the congress.

In order to ensure that your company can achieve its objectives by taking part in 11th APVRS Congress, a wide range of sponsorship opportunities is available. In addition to packages, sponsors can also consider taking out individual items.
